Boys and girls, born

## Camp Objectives

against high-level competition in  
the USA

Create a high-quality mixtape to  
support a future placement  
profile

dynamic

## An experience that changes everything

The SAP Summer Tour is  
often the trigger for a  
bigger project:

It builds confidence,  
guidance, and valuable  
contacts

Most importantly, it gives  
players a clear vision of
